### **MD Notes:-**

#### **Magic Dragon 2**

The series entry form incorrectly stated that Magic Dragon 2 is on the Tue 22<sup>nd</sup> April when in fact is Tue 29<sup>th</sup> April as per the CTT handbook and website. The date was changed prior to submission to the CTT handbook on safety grounds but unfortunately the web form was not updated. I have assumed that your entry will be carried forward to the correct date, however if any pre entered rider needs to either withdraw or change their start preference on the new date I will be happy to correct the entries. Please accept my apologies for this error. - MHO
